Remarks

Welcome to AQUA, a pinnacle of refined luxury and architectural brilliance on Golden Gate Point. Designed by heralded modernist architect, Guy Peterson, this exclusive nine-story boutique building is home to only eight exquisite, full-floor residences, each designed for unparalleled privacy and sophistication. This 6th floor residence offers sweeping, unobstructed 180-degree views of Sarasota Bay and beyond, complete with a private boat dock. The location is enviable as it's just steps from the vibrant energy of downtown Sarasota. With over 4,100 square feet under air, this light-filled residence boasts 10-foot floor-to-ceiling walls of glass where the owners have curated some of the finest interiors in our marketplace. Hundreds of thousands of dollars were spent on elevating each aspect of this spectacular residence above and beyond the original finishes. The plan flows beautifully after entering the formal foyer from your private elevator turning the corner to experience the breathtaking views from the stunning living room. The adjacent wet bar area is positioned perfectly for entertaining guests. The gourmet kitchen features a Wolf cooktop and ovens, 2 Miele dishwashers and a Sub-Zero refrigerator. Cuisines Laurier cabinetry and an expansive island topped with quartzite Cielo countertop.
